Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Wednesday 03 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry overnight. Showery tomorrow.

This Evening and Tonight:
Clear spells and light winds for most during the evening with a chance of isolated showers in the north. A dry and clear night for most, with perhaps the odd fog patch in the east. Minimum temperature 4 deg C (39 deg F).

Thursday:
After a bright start, soon clouding over with the chance of heavy showers. Showers likely to ease later in the day, with the night being dry for most. Mild. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
A band of rain moving east Friday morning, followed by brighter spells and showers. Becoming much colder on Saturday and Sunday with a few wintry showers and a biting wind.
